

Leave a Legacy with planned giving

Your Infinite Impact...

Imagining a more powerful legacy than investing in girls' education is challenging. When girls receive a quality education and are empowered, positive benefits ripple in infinite ways. We are thankful for your support, and we invite you to continue your legacy of impact by including MAIA in your estate plans. There are many Planned Giving options available. All will result in financial benefits for you and your estate while also helping create a more just and equitable world for everyone.

The most simple and popular ways to give are through a will or living trust or by naming MAIA as a beneficiary on a life insurance policy, retirement plan, or commercial annuity. This simple way of giving ensures your impact extends beyond your lifetime, and in the meantime, you retain the control and use of your assets.

Wills and living trusts

To leave a gift in your will or living trust for MAIA, all you need to do is include language that specifies a specific dollar amount, a percentage of your estate, or the residual of the estate after you have made bequests to your family. Here is sample verbiage you can discuss with your attorney:

"After fulfilling all other provisions, I hereby give, devise, and bequeath to MAIA (tax ID #68-0652444), a charitable organization duly existing under the laws of Colorado and located at 1031 33rd Street, Suite 176, Denver, CO 80205, _____percent of the rest, residue, and remainder of my estate [or \$_____ if specific amount] to be used in the areas of greatest need as the board of directors may determine."

Beneficiary designations

A gift of your life insurance, retirement plan, or commercial annuity can be made by designating MAIA as a beneficiary. To do this, request a change-of-beneficiary form from your retirement plan administrator, insurance company, or financial institution. On the beneficiary form, name MAIA, along with the percentage you would like MAIA to receive.

There are other ways to give—charitable giving annuities, charitable remainder trusts, charitable lead trusts, among others. Choosing the right planned gift depends on your personal circumstances and financial goals, and we encourage you to consult with your personal financial advisor to determine the option that is most suitable for you and your family.

Please let us know

Please let us know if you have decided to include MAIA in your estate plans. We would like to thank you and celebrate your generosity.
