

MAIA's Audiovisual usage

Introduction

MAIA audiovisual materials (photos, videos, audio, graphics) may be used to further the aims and work of MAIA. They cannot be used for advertising, marketing, or in ways which are inconsistent with our Organization's mission. MAIA audiovisual materials (photos, videos, audio, graphics) cannot be altered, sold, redistributed, or used to create derivative works. MAIA audiovisual materials (photos, videos, audio, graphics) and related metadata may only be archived in any digital asset management system or database with the prior approval of MAIA.

Copyright

MAIA's audiovisual materials (photos, videos, audio, graphics) are the property of MAIA, which holds all rights concerning their usage.

Permission

Prior written permission is required to reproduce MAIA audiovisual materials (photos, videos, audio, graphics) in print or electronic format, including CDs, DVDs, websites, videos, exhibits, etc. Such permissions are granted on a one-time, non-exclusive basis and may be renewed. Please contact us to receive written authorization to use the MAIA audiovisual materials (photos, videos, audio, graphics). Third-party permission forms are not accepted.

Credit

All MAIA audiovisual materials (photos, videos, audio, graphics), whether used in print, electronic, or online format, must be credited as follows: MAIA Photo by [name of photographer] (if available) or as stated in the corresponding photo caption. Ex: MAIA Photo/Silent Images.

We also ask that our social media channels and webpage be included/tagged in any caption where any MAIA audiovisual materials are used.
